**G**od's Plan for a Joy-Filled Marriage is an interactive seminar that offers engaged couples a compelling vision of God's glorious plan for marriage, love, and human sexuality.

When people think of Christian teaching on sex and marriage, they often think of a list of dos and don'ts. *God's Plan for a Joy-Filled Marriage* offers a refreshing, positive vision of marriage and marital love – one that helps couples fully embrace God's glorious plan for their lives.

Based on Pope John Paul II's revolutionary new insights found in his Theology of the Body, *God's Plan for a Joy-Filled Marriage* program includes DVD presentations featuring Christopher West whose use of humor and practical analogies adds to the live facilitation of our leadership couples.
